

BCGT Extended Teacher Grant GENERAL GUIDELINES

1. **Eligibility:** Teachers from Extended Services at both elementary and middle school levels, as well as advanced placement courses at Barrington High School, are eligible to apply for grant funding.
2. **Focus:** All applications should provide teaching and learning strategies that create a measurable impact on students of Extended Services in Barrington CUSD220.
3. **Pre-Discussion:** Extended Services applicants should discuss the proposed grant with the Director of Professional Learning & Development prior to submission. Advanced Placement applicants should discuss with their direct supervisor.
4. **Complete Applications:** Please ensure all questions are answered completely. Incomplete applications will be returned and may delay the approval process.
5. **Project Completion:** All activities must be completed, and reports submitted (if requested), by December 31, 2026.

Examples of Previously Funded Projects Include:

- Student participation in local and national scholastic competitions (Continental Math League, Math Olympiad, Word Masters, National Language Arts League, National Geography Challenge, National Science League, National Social Studies League, National Current Events League)
- Team involvement in Quiz Bowl Tournaments
- Supportive technologies, subscriptions, or educational supplies for the classroom
